WELLMARK DRUG LIST (PRICE & SAVE TOOL). This tool makes it easy to look up drugs covered by your plan and shop around for the best price on your prescriptions. Compare prices at pharmacies in your area (including mail service pharmacies). See low-cost generics or other drug alternatives that can save you thousands over the course of a year. Using it is simple:

- 1 Enter your address.
- 2 Type in the first few letters of the drug.
- 3 Select “price my prescriptions.”

Then the tool will list prices of the 10 nearest retail pharmacies. You can even select “View Map” to see where they are. So, you’ll save money and drive time.

LOCATE A PHARMACY. Enter your location to find the nearest network pharmacy to you, and get a map of the area and driving directions.

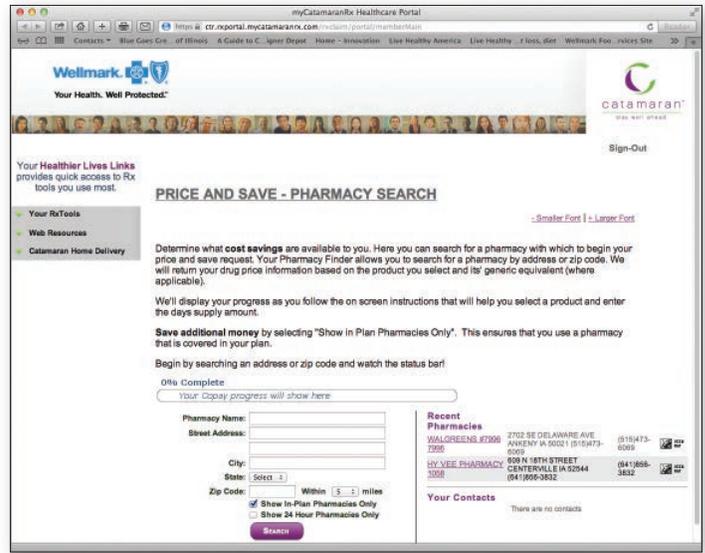

MY PRESCRIPTIONS. Track your prescriptions and how much you’ve paid. You can print or download this list in case you want to take it to your doctor or use as an end-of-year statement.

DRUG INTERACTION CHECKER. Check for potential interactions between drugs. Simply enter two or more drugs and learn whether there can be harmful interactions. It will also tell you whether they have duplicate ingredients. You can even check for any known drug, food, alcohol or tobacco interactions.

PHARMACY FORMS. Every form you need is in one place: claim forms, mail-service pharmacy forms, formulary exception request forms, and more.

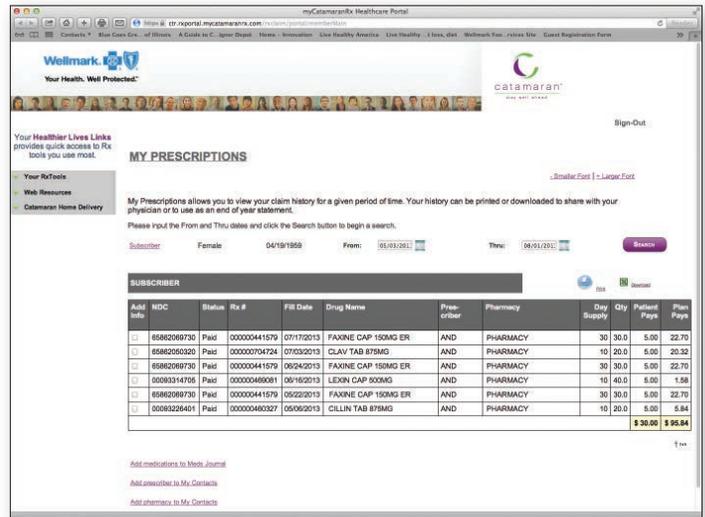

RECENT PHARMACY CLAIMS. View 24 months of prescription drug claims. Use this tool to categorize and search for claims, and run reports on your year-to-date spending.

PRESCRIPTION DRUG INFORMATION. This is the place to start for important information about prescription drugs and Wellmark Pharmacy programs.

Price & Save Tool

View estimated prices of your prescription, based on the pharmacy you select. Save money by exploring your lower-cost drug alternatives.
