H. Important Information Regarding Waiver Enrollment

If you are declining enrollment for yourself or your dependents (including your spouse or domestic partner) because of other health insurance or group health plan coverage, you may be able to enroll yourself or your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within a period of time specified by your employer after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within the time specified by your employer after the marriage, birth, adoption, or placement for adoption. Additionally, you must enroll within the time specified by your employer after you lose eligibility for coverage under Medicaid or CHIP or become eligible for Medicaid or CHIP premium assistance.

Please note that if you or your dependents are not covered by minimum essential coverage, you may be responsible for individual shared responsibility payments when filing your federal income tax return. Also, by declining the coverage offered by your employer, you or your dependents may not be eligible for Marketplace coverage subsidies.

To request special enrollment or obtain more information, refer to your Summary Plan Description (SPD), coverage manual, other benefits documents, or contact your employer.
